Do you wonder where your money goes? It could be right under your feet. 30% of Enduroplank decking material made by Replas is made from recycled polymer bank notes. Not only do the notes last longer than paper, but they can also be recycled at the end of their circulating life.

Vote for SA schools to receive recyclable flooring

Three SA schools have been successful in winning Interface Flooring "Go Greener Grant" of \$1000.

The second part of the grant is the chance to win \$20 000 of fully recyclable carpet based on biomimicry principles for your school. If you would like to show your support for Roxby Downs Area School, Golden Grove High School or Tatchilla Lutheran College, you can vote at http://www.interfaceflor.com.au/Projects/Education/Go_Greener_Grants/Go_Greener_Grants_Peoples_Choice.aspx

Term 3, 2015

WOW continues assisting sites to reduce waste and recover resources, with some minor changes. We are now charging for Holiday Field Trips and specialist workshops, but if your site is committed to sustainability, we think \$100 for up to four staff to attend a workshop that will help save big \$\$ on waste collection in the future is well worth it!
