Why not try~..... (single use) Plastic free July

The challenge is simple...to refuse single-use plastic during July.

Plastic Free July raises awareness of the amount of single-use plastic in our lives and challenges people to do something about it. You can sign up for a day, a week or the whole month and try to refuse **ALL** single-use plastic or try the **TOP 4**: plastic bags, water bottles, takeaway coffee cups and straws.
