Please book ASAP.

We'd love to see someone from your site, especially if you have not been to one before.

Please feel free to forward to interested colleagues at other sites.

WOW Holiday Field Trip, June 11th, 10:20am – 4pm

Discover more about the

WOW Term 1, 2016

Welcome to the start of 2016. WOW newsletters will continue to be released once a term to share important dates, events, and information about resource recovery.

Activity sheets for Early Years Big Books

In 2015 WOW developed, 'The Journey of My Bins', for all preschools and childcare services in SA.

The books describe what happens to materials collected from home or your site including Waste / Landfill, Recycling, Green Organics.

The new activity sheets provide

Print your own copy by clicking the link below.

Waste Awareness Day at Flinders University

WOW attended the Flinders University Waste Awareness Day organised by the FUSA Environment Officer, Ali Roush to educate and engage the university community on waste and recycling processes and issues. Several stalls were held by professionals in the waste industry and the 'Just Eat It' film was presented. WOW Coordinator Jo Hendrix was pleased to sit on a panel with the likes of SA Greens leader Mark Parnell, to discuss aspects of waste and recycling!

WOW is fully booked for Term 2!

world of Resource Recovery including visits to: Jeffries, WasteCare, SITA, E-Cycle and more (TBC).

Cost is \$100 per site for up to 4 staff members (covers bus hire).

Check out the WOW Holiday Field Trip webpage for more information.

WOW Newsletter Sign Up

Do you have friends or colleagues that would enjoy WOW news? Get them to sign up to our WOW newsletter. Head to the WOW website to register and check out other resources available.

Early Years Webpage

With a focus on supporting the very enthusiastic Early Years sector and their communities, we have a new webpage, with early years specific case studies, resources and links.

www.wow.sa.gov.au/early-years.html

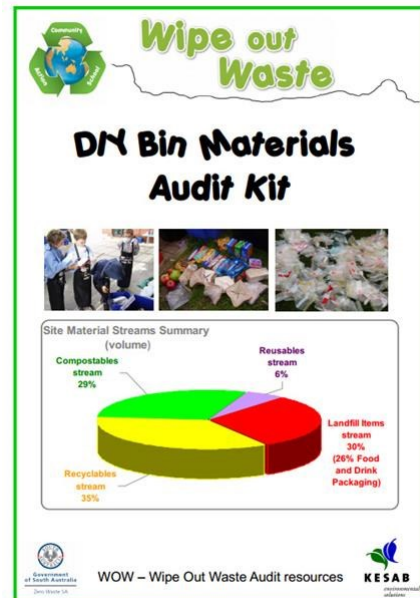

KESAB and Wrigleys Litter Less resource is here!

A new Litter Less resource incorporating new curriculum has been developed, and is available for purchase! The resource includes lesson plans, links to the curriculum, Larry Litter story book and a CD containing resources and interactive activities for students. For more information

We are booked solid until July, so please don't call and be disappointed.

DIY Audit kit and Bin Systems Assessment resources are available online. Please check the WOW website regularly for new resources, which are going up rapidly!

KESAB is turning 50!

This interesting article featuring anthropomorphic Canadian spaghetti leftovers gives an insight into what's happening in other countries and may provide students with signage inspiration too! <http://www.citylab.com/cityfixer/2015/01/every-city-needs-vancouvers-ban-on-food-scraps/384391/>
