Bag It - the movie

When: Monday, 5th September, 6 - 8:30pm

Term 3, 2016

KESAB celebrates 50 years.

Over 250 people celebrated **KESAB's** (Keep South Australia Beautiful) 50th birthday on Tuesday August 2nd. The night featured many moments from KESAB's history and the release of the **KESAB 50th Commemorative video**.

The WOW team (both past and present) took the opportunity to capture a snap with Bazza the Bunyip!

WOW turns 10! Come and see Bag It (the Movie) to celebrate.

Early Education for Sustainability SA (EESSA) is hosting a film night with **Wipe Out Waste** (WOW).

Book tickets to see **Bag It** the movie (\$6- \$11) to discover more about how plastic is made and its impacts on our health and the environment.

After the movie, talk with Jo from WOW about plastic recycling and share your own plastic-free tips and tricks. See details on left.

Where: Gowrie SA, 43 Dew St, Thebarton

Cost: \$6 - \$11 book at [Bag It](#)

AAEE National Conference - Oct 5-7

Adelaide last hosted the Australian Association for Environmental Education Conference in 2004, so this is a great opportunity to hear from sites and service providers in SA, Australia and guest speakers from further afield.

Why not try..... Nude Food Day.

The challenge is simple...to avoid non-reusable or non-recyclable wrapping for lunchbox food. You can try it when school is back in Term 4 - a great way to end the year - keep it going all term! And once you have the skills and tools - every day can be Nude Food or Wrapper Free day!

AAEE Conference - Student sustainability films wanted.

Would you like to showcase the work of your student voice or student environment groups? At the National Australian Association for Environmental Education (AAEE) Conference in Adelaide (October 5 to 7) we want to share the work of youth and children across SA by playing student films during break times.

Please email Jeremy Gramp

jeremy.gramp@nrmeducation.net.au with a sentence about the content of your film. Films must be received by August 30th.

Conference registrations and scholarships info <http://aaee2016.com> KESAB and WOW are presenting, so please come and see us.

Nude Food Day 2016!

October 6th is annual Nude Food Day - an event which challenges schools, families, teachers and students to pack healthy, waste free lunches. The event can be as big or small as you choose and there are activities and lesson plans to support you on the [Nude Food](#) website. [Register](#) your site now!

Biobag school fundraising opportunity

BioBag have created compostable snap lock bags made from corn starch. This means the whole bag can be placed in an Organics bin when you can no longer use it! These bags are not available in supermarkets which create a great fundraising opportunity.
