

Wipe out Waste

WOW lunchbox stickers order form

Once the WOW team has received your checklist, the requested number of stickers will be sent to you. We recommend writing your chosen day on stickers with permanent marker (stickers are dishwasher proof) and sticking them on students' lunchboxes while they are in the classroom.

We recommend that at least one week day becomes a Wipe Out Waste / Nude Food day for either a class, a year level, or for the whole school (if you are very keen, you could write 'everyday!' on your lunchbox sticker).

As we are a South Australian program, non South Australian sites will have to purchase their stickers (details on the WOW website).

Checklist of criteria to meet in order to receive free stickers	
Your name:	Email:
Your site name:	
Your site's address:	
Is your site currently (or has previously) participated in the Less to Landfill challenge? Y N
