

How to play...

Pick a character, cut out and tape to a bottle cap to make a counter. Then... cut out the spinner, insert a thin stick or toothpick through the centre to make a spinner. Twirl the spinner on the board to get a number. The player who spins the highest number starts the game!

Pack a waste-less lunch...

- PACK:**
- Snacks in re-usable containers
 - Drinks in a re-usable bottle
 - Re-usable utensils
 - A re-usable lunchbox
