

wipe out waste

Wipe Out Waste (WOW) is a South Australian initiative to support a whole school or site approach to waste reduction and avoidance.

Funded by Green Industries SA and delivered by KESAB environmental solutions.

Why engage with WOW?

Reduce your waste

82% of sites engaged with WOW reduced their waste within 1-2 years.

Educational support

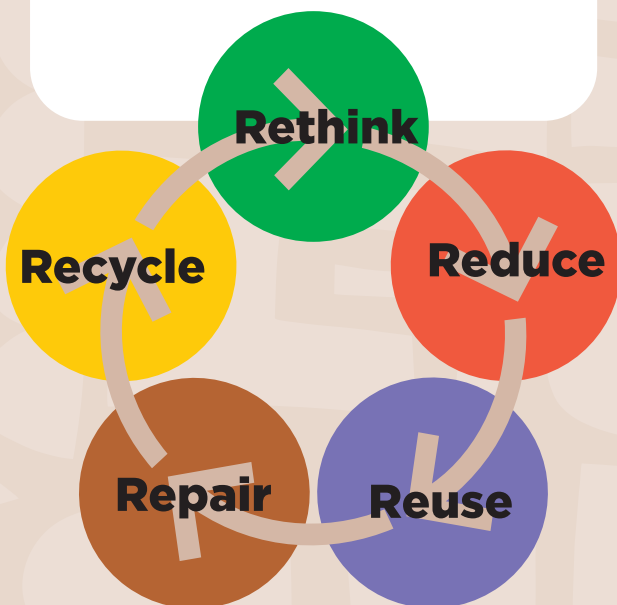

The roadmap to waste reduction on the next page outlines the journey to reach your waste reduction goals.

Worked with WOW in the past?

We can help you rebuild momentum or tackle your next sustainability goal.

Contact us!

Talk to one of our education officers about the WOW program. Call 8234 7255 or email admin@kesab.asn.au

A roadmap to waste reduction

1

1. Starting

Talk to a WOW education officer to find out how we can support you on your waste reduction journey.

2

2. Challenging

- Conduct a Bin Materials Audit or Assessment
- Communicate results
- Establish a long-term plan

3. Committing

- Develop school site plan and policy
- Integrate Curriculum linked learning
- Deliver parent information sessions
- Achieve waste reduction targets

3

4. Transforming

- Review and share knowledge
- Create partnerships with community
- Develop resilience to change
- Achieve waste reduction targets
